

“5 days later I felt fine!”

I have had two terrible bouts of shingles that have lasted up to a month and the medicine given to me by my doctors did nothing to relieve the severe pain. When I started experiencing the same symptoms, I immediately started taking the Olive Leaf Extract and 5 days later, I felt fine. The lesions and the severe pain never had the chance to develop.

-L. Jacobson-

“I experienced a miraculous improvement ... I was completely well!”

I am writing to let you know how much I appreciate your products. Last year, just before Christmas, I came down with the worst case of flu I've ever had. I was coughing and expelling a great deal of phlegm. I was truly miserable.

My doctor prescribed a medication that gave no improvement; my coughing and fever did not subside. I sent for your FluBan and within 48 hours I experienced a miraculous improvement. I continued taking FluBan for 10 days and I was completely well.

- G Tkiach-

“Pain is subsiding gradually and my appetite and strength are returning”

I became ill with the Flu in February and had several immune boosters and antibiotics. My fever 103 every afternoon even after antibiotics. My weight dropped to 84 lb. Medical test revealed nothing wrong with me. In July I started taking FluBan and within a few days my temp dropped. Some days I haven't need to take Tylenol to reduce it. The pain is subsiding gradually and my appetite and strength are returning. I praise God for this dramatic breakthrough and my gratitude is extended to everyone involved in this product.

-A. Fuller-

“Flu-Ban is a miracle!”

I have to tell you— my husband works in a closed ventilation building and at this time of year, everyone is sick and spreading their germs through the ventilation system or doorknobs, phones, etc. My husband usually gets sick, however not this year . . . the two times he began to experience symptoms he took FluBan at a rate of six per day and overcame the sickness. Thank you ! FluBan is a miracle!

-G. Cox-

“The results I have achieved with your product have been impressive!”

The results I have achieved with your product have been impressive! At the first sign of a scratchy throat, sneezing, runny nose, etc, I take FluBan and manage to stop these colds immediately! I've been successful 5 or 6 times now. I feel it is a powerful tool in fighting viruses and strengthening my depressed immune system. I hope this will help others as well.

-G. Mensah-

“I am amazed that anything could work that fast.”

My husband had the flu or cold, which was settling in his chest with a tight persistent cough, which kept getting worse. I was quite concerned and asked him to try the FluBan tablet. He took two before he went to bed last night and has taken two with each meal today. His head is almost completely cleared up and his chest and only has a slight cough occasionally. I am amazed that anything could work that fast. As you can see, I am ordering a case of the extract. I'm sold.

-D. Weideman-

“FluBan doesn't “CURE” colds it just stops them dead!”

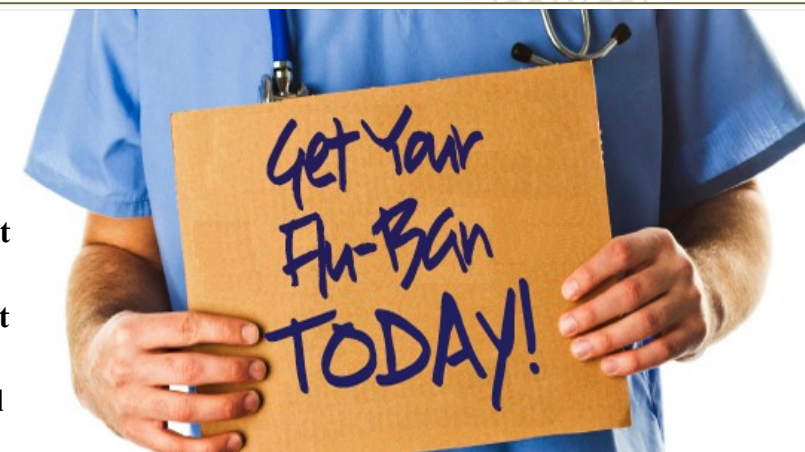

I just placed my third order for FluBan. I just wanted to tell you that I have used FluBan for a year as needed and it works. Twice it has headed off very serious colds. It also worked for a neighbor who was experiencing a very severe sore throat and onset of a cold. FluBan doesn't “cure” colds it just stops them dead! This is important to me because my colds tend to be severe, and patent cold medications which only treat symptoms have their own nasty side-effects. Thank you East Park Research, what a life saving product!

-D. Jordan-

“Flu-Ban just works!”

I was so sick with the flu and was going on vacation in two days. I was willing to try anything. The clerk said to take FluBan and to trust her. Within 24 hrs I felt fine. FluBan just works!

-V. Randolph-

“It was the fastest recovery I have ever experienced with the flu!”

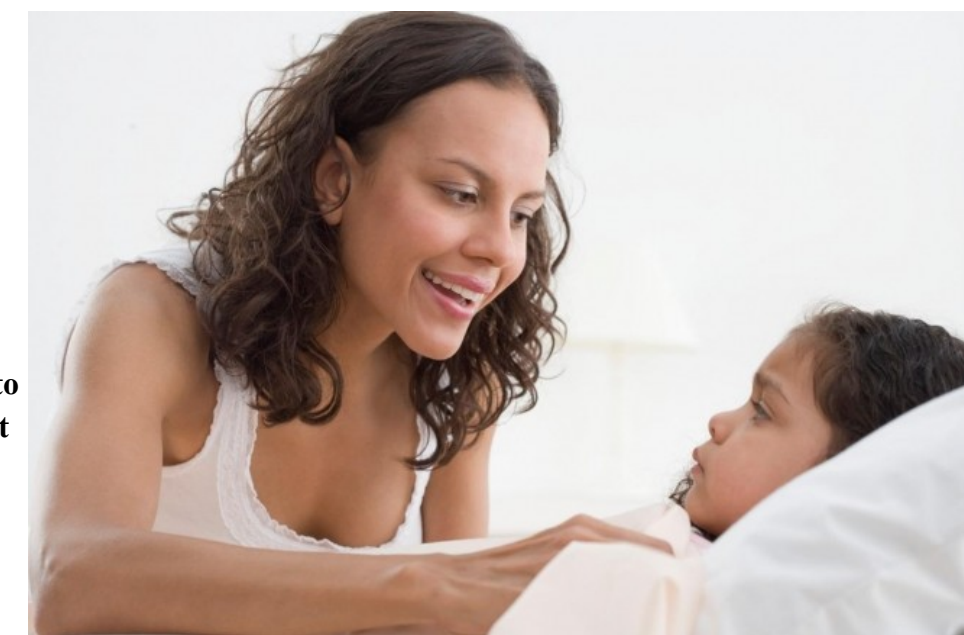

-L. Wolf-

“I am a fanatic for FluBan. I will not be without several bottles on hand. It is the best, and I tell everyone!”

-L. Mercer-

“I felt better in just over 1 hr, and then I continued as directed!!”

-B. Ardent-

F. A. Q.

Q: What makes Flu-Ban® so effective?

A: In addition to East Park's potent olive leaf extract d-Lenolate®, Flu-Ban® also contains Neem leaf extract, an ancient ayurvedic herb used for centuries to abate colds and the flu. A balanced homeopathic formula containing six ingredients expressing eighteen potencies, is effective for all types of individuals in addressing the usual symptoms of these maladies. Due to this unique combination, you can experience relief from your symptoms in hours rather than days or even weeks because Flu-Ban® gets rid of the virus.

Q: How should I take Flu-Ban® for maximum impact?

A: Take Flu-Ban® immediately after the first sign of the onset of a cold or the flu. Take two tablets, four times a day, and drink as much pure water as you can to achieve the best results. A word of caution. The absence of symptoms does not indicate the virus has been completely eradicated. It is highly recommended that you take all 24 tablets to ensure the successful elimination of the underlying virus. Flu-Ban® is bottled as a single "course" dosage and is typically far more economical and effective than other remedies.

Q: Is Flu-Ban® safe for children?

A: Absolutely! For children ages four to six years old, use 1/2 of the adult dosage, or one tablet, four times a day. Make sure they drink plenty of pure water throughout the day. If your child is unable to swallow the tablets, crush the tablet and mixed with juice. For children three and under, be sure to consult your pediatrician prior to use.

Q: Can I take Flu-Ban® with my prescription medicines/other supplements?

A: Flu-Ban® may be taken with any other food supplements, but is not recommended to be used with any type of antibiotics.

Q: Is use of Flu-Ban® recommended for pregnant or nursing women?

A: Flu-Ban® may be taken during pregnancy or while nursing, but we highly recommend speaking to your obstetrician before using any food supplements during this time.

Q: Can I stay on the Flu-Ban® product?

A: We do not recommend you use the Flu-Ban® continuously. The maximum number of days we recommend you use Flu-Ban® is nine consecutive days. Otherwise, we suggest you use the d-Lenolate® for preventative measures.

Q: Is Flu-Ban® effective for senior citizens?

A: Flu-Ban®'s main purpose is to combat symptoms the flu and cold virus. Your age will have no effect on the results of this product.

Q: What are the active ingredients in Flu-Ban®?

A: The active ingredients in Flu-Ban® are East Park Research's d-Lenolate®, a patented homeopathic blend and Neem leaf extract.

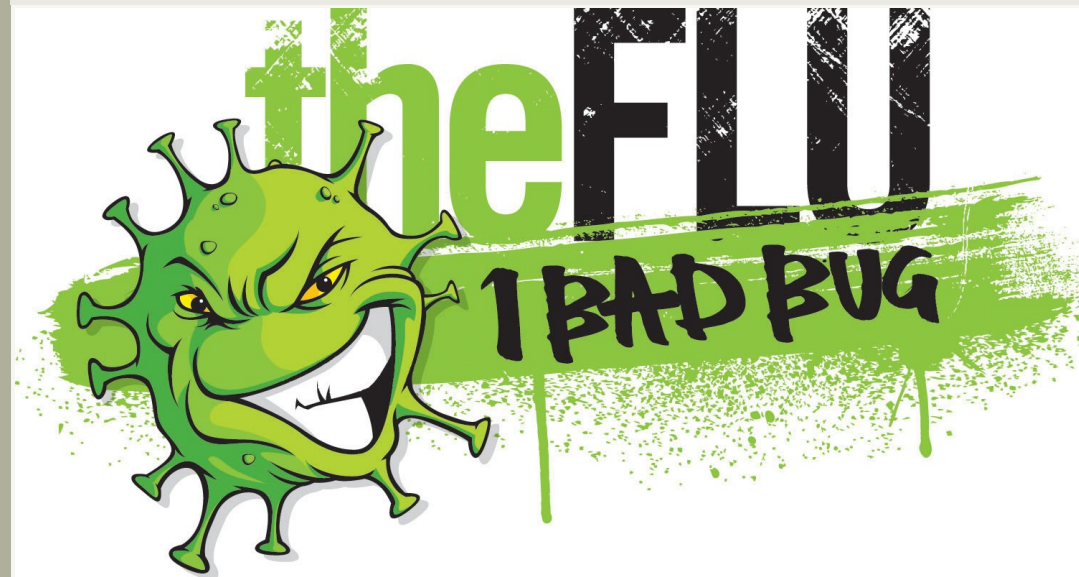

Q: What is Neem?

A: Neem is a highly regarded, almost sacred tree grown in India. Our Neem powder is painstakingly extracted from hand picked leaves from this truly special tree. Leaves from the Neem tree have been used for centuries by the Indian people to treat many ailments including the potential fatal ravages of the flu.

Q: How long has Flu-Ban® been on the market?

A: Flu-Ban® has been on the market since 1997.

"THE ONE THAT WORKS" ... FLU-BAN® AND WE GUARANTEE IT!

No one is immune from the headaches, stuffy noses, sore throats; aches and coughing that come with having a cold or the flu. Colds and flu are the most common ailments of mankind. They touch almost every family in the world yearly, bringing untold misery and sometimes even death. Both colds and flu are caused by viruses, and there is no cure for them.

Because these viruses are extremely strong, they can survive and remain active for up to three days on any surface and can withstand extreme temperatures. Antibiotics are totally ineffective against these viruses. East Park Research, Inc. has developed a product to stop the suffering from cold and flu – **Flu-Ban®**.

Flu-Ban® contains an all-natural ingredient that actually eliminates viruses that cause cold and flu, instead of just masking the symptoms. It contains the powerful weapon d-Lenolate®. This patented olive leaf extract formulation is documented to kill the viruses which cause colds and flu. The American Society for Micro-biology reported that, "the active ingredient in d-Lenolate® inactivates all myxoviruses." This means **Flu-Ban® is effective against ALL the viruses that cause colds and flu**.

Flu-Ban® contains potent olive leaf extract plus Neem Tree leaf extract, an ancient ayurvedic herb used for centuries to abate colds and flu. Also present is a balanced homeopathic formula containing six ingredients expressing 18 potencies so as to be effective for all types of individuals in addressing all the unusual symptoms of these maladies. Because of this unique combination, you can get relief from your symptoms in hours rather than days or weeks.

The Centers for Disease Control and Prevention estimates that each American will contract an average of 3 colds or flu viruses each year! Colds account for 100 Millions of work days and school days missed each year! There is nothing worse than feeling miserable with a contagious cold or flu. Make sure you have the right product on hand; one that doesn't just mask the symptoms with chemicals. You need the one that goes "Beyond symptom Relief."

CAUTION – The absence of symptoms does not mean the virus is gone. You must complete the entire course of treatment, twenty-four tablets, to be sure of success. Use 1/2 of the adult dosage for children under 6 years old. If they cannot swallow tablets, crush the tablets and mix with juice. For children 3 years or younger, consult your pediatrician. Only **Flu-Ban®** with d-Lenolate's patented formula delivers the potent ingredient elenolic acid in the form your body can use to relieve you from colds and flu.
